INVITATION

Dear Esteemed members IAP Adolescent Health Academy Warm greetings from the organizing team of ADOLESCON – 2012!

The members of IAP Goa State Chapter welcome you to this land of surf and sunshine. The history of Goa backs to the days of the Moghul emperor Adil Shah whose palace once upon a time housed the Goa Secreteriat and subsequently was ruled for years by the Portuguse even after India got it's independence right until 1961 leaving behind their traditions and susegad ways of life.

It is with immense pleasure we invite you to participate in the 12th National Conference of the Adolescent Health Academy of Indian Academy of Pediatrics which envisages a feast of scientific, cultural and culinary bonanza as the raindrops plays mellowed tones of relaxing music in the background

The various topics selected by our Scientific committee will help us to broaden our horizon in Adolescent Health and Medicine. A Galaxy of eminent speakers will keep you enthralled in the love of Adolescent issues. Kindly register at the earliest

Looking forward to welcome you on 1st and 2nd September 2012 to this land of fun and frolic with fond memories to carry and remember in the years to come
